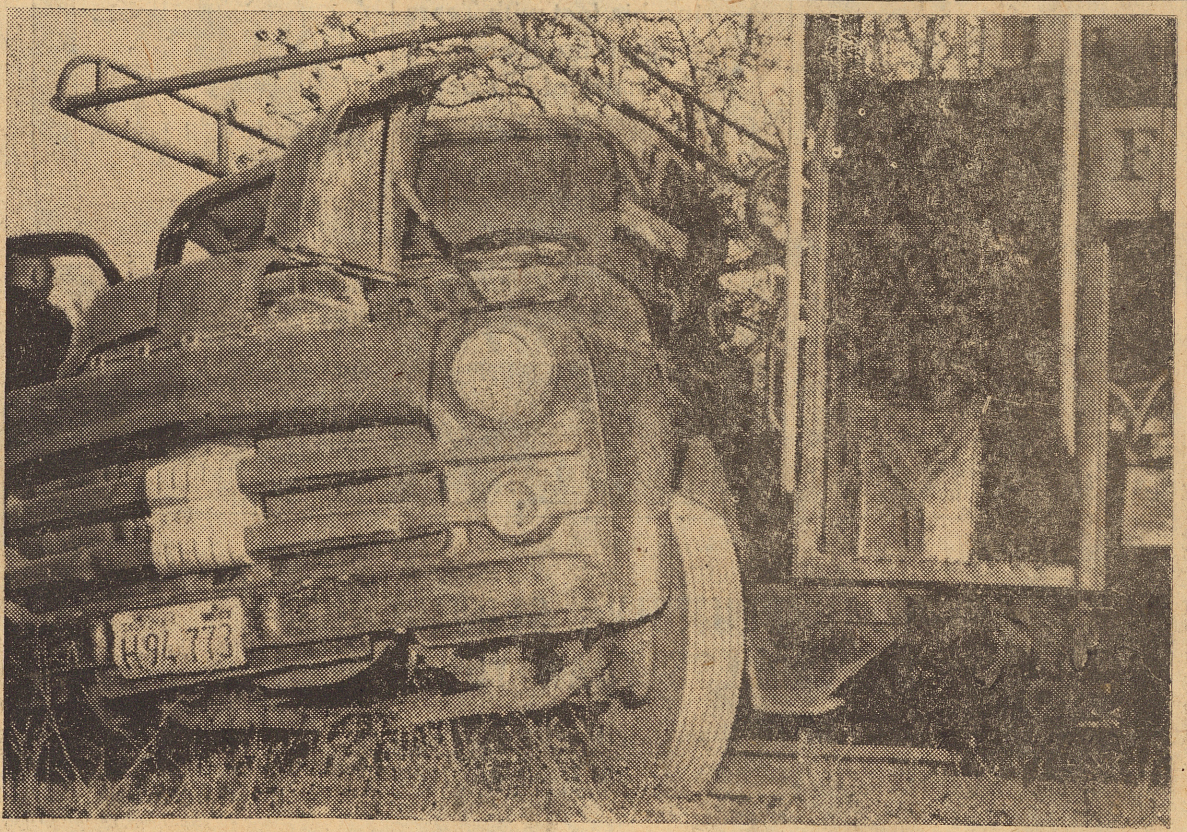
A GROWING NEWSPAPER — A GROWING COMMUNITY

Vol. 65, No. 36 CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c Thurs., October 24, 1957



TRUCK AND TRAIN COME TOGETHER . . . Still in critical condition at county hospital this week (Wed.) is Allen H. Warder, 54, of 261 Casey Road, Campbell, who was injured Saturday when a northbound switch engine struck the pickup truck Warder was driving and pushed it down the track some 400 feet. The truck-train collision occurred at the Dell Ave. crossing in Campbell's industrial park area . Photo by Van Rossem

New City Fire Stations Will Cost $172,818

It will cost $172,818 to bring the Campbell fire department up to the recommended level and adequately provide for the growth of the city. This cost would include the purchase and equipping of two new fire stations and the purchase of a site for the main station of the future.

This was the estimate given the City Council Monday night by Fire Chief Jack Scott in a report based on a recent survey conducted by the chief, the Planning Commission and the National Board of Underwriters.

The Council had asked for the survey in order to establish the amount to be included in the forthcoming civic improvement bond issue tentatively set for next spring.

Two New Stations

In his report Chief Scott said that the estimated figure of $172,818 would include two new fire stations, two new pieces of apparatus, some furnishings, remodeling of one station and acquisition of land for a future fire station.

The report did not include actual plans for the fire houses and the construction of the proposed buildings was estimated at $12 per square foot. He said that the building costs for both the acquisition of sites and construction were furnished by the building inspector, W. L. (Bud) Morser.

Future Main Station

Although it is recommended that in the future the main fire house be located in the vicinity of Union and Campbell avenues, only the land acquisition cost for approximately one-quarter acre in that area was included in the report presented Monday. It is estimated that a suitable site in that area could be purchased for $12,000.

The present station on Central Ave. would be remodeled, according to the report, at a cost of $12,000. The remodeling would convert the present dormitories and kitchen into storage areas and put the living quarters and kitchen facilities in an addition above the present apparatus floor.

Campbell-San Tomas Road

A new station under the recommendation would be built in the vicinity of Campbell Ave. and San Tomas Road at an estimated cost of $38,010.

A lot of 60x100 feet, costing approximately $6,000 and building and furnishings at $26,150 are the major items for the station at this location. In addition the chief recommends that one 500 gallon pumper now in use be moved to this new station, which should be adequate for the residential area.

He also suggested the repairing of the International (engine No. 4) and transferring it to the station to be used as a squad wagon. The chief estimated that it will cost $4,000 to get the truck in shape. He also figures that the installation of two radios at the station will come to $1,860.

The largest expense item listed in the report was for the new fire station and equipment to be located just off Winchester Road on Hacienda Ave.

Serve Industrial Area

Scott said that this station would serve the Campbell Industrial Park and part of the equipment at the spot would consist of a drill tower approximately 40 feet high estimated to cost $7,308. The report estimated the one-half acre needed would run about $14,000.

The fire station itself at this spot would be one and one-half stories in height with 3000 sq. feet on the bottom floor and 1500 on the top. At a cost of $12 per square foot, the 4500 square foot building would cost $54,000, according to the report.

Two new pieces of apparatus, one 1000 gallon pumper at $18,000 and one 750 gallon pumper at $17,500 would be needed at the station, the chief reported.

Personnel Not Listed

The chief also pointed out that the report did not include the number of extra personnel that would be needed to man the new stations. He said that additional personnel was not included in the report because it could not be a bonded item. Salaries of the firemen would have to come from other funds.

In addition to the men needed to take care of the new stations, Scott suggested that it would be necessary to increase the personnel at the present fire station on Central Ave.

The Council commended Scott for the comprehensive report which Mayor John M. Chargin said would be forwarded to the city's financial consultant

HALF-TIME ACTIVITIES . . . Campbell High's varsity football team did not win the game against Fremont High last Friday, but the Buc marching band and the pom-pon girls won plaudits from the spectators by their half-time activities. The close-up photo shows the band maneuvering into position while the other picture shows the band and pom-pon girls jointly going through their paces. Campbell Press photo

To Keep Pace with Growth . . .

Moreland School District Approves Bonds State Aid in Tuesday's Vote

Voters in the Moreland School District gave the go ahead signal to future expansion of the district on Tuesday when they approved a $750,000 bond issue and $3 million in state aid.

By a vote of 494-83 for the bonds and 488-90 for state aid, the voters okayed the two measures on the ballot which will allow the district to keep pace with the rapid increase in enrollment.

Mrs. Gussie Baker, superintendent, said that the approval on Tuesday will allow the district to immediately begin preparations of plans for the sixth school of the district located north of Graves Ave. and west of Saratoga Ave. The district has already purchased the site

She said also the district will now be able to expand its facilities to keep up with the projected enrollment provided it meets the qualififcations of the state.

She said that according to planning estimates, an eventual 15 schools for the district will be needed and so far the district is running ahead of schedule on "projected enrollment" surveys.

State aid has already been given for the additions of the Bucknall School and for the completion of the Castro School for seventh and eighth grades on Campbell Ave. It is expected that the Castro School, which is about 45 per cent completed, will be ready for occupancy by March.

Two polling places were used in Tuesday's vote. At the Moreland School the vote was 380 to 40 for the bonds and 305 to 44 for state aid. At the El Quito Park School the vote was bonds 186-43 and state aid 183-46. A two-thirds majority was needed to carry both proposals.

Skid on the Grid

Upsets on the gridirons across the nation last weekend made it rough going for all the Press pigskin panelists.

When all the firing had ceased Benny Lujan, Campbell High student body president and speedy "B" team back, was in undisputed first place shoving Mrs. Elaine Carey down to second. But Benny picked only five right out of 10 for a season's record of 36-13. Mrs. Carey only had four winners for 35-14 for the season.

Bill Means did the best job with six right out of 10 while Sam Reed, high school principal and Marvin Moore, our 10-year old sports writer were both hiding their heads this week. They managed only to pick two winners each. Pete Lico got five right out of 10 and jumped from last place percentagewise to a tie for third with .653 for the season.

Better luck this week, gang.

Carl Field Sells After 32 Years In Business Here

Having set a record of continuous operation as a merchant in the same store building in Campbell, Mr. and Mrs. Carl Field, owners of Field's Store, 378 E. Campbell Ave. for more than 32 years, announced this week that the store had been sold to Mr. and Mrs. Philip Barone of San Jose.

The new owners (Philip and Cecilia) officially took over the ownership of the store on Monday of this week and will operate it under the name of Friendly Food Market. The Barones have added a meat counter and plan other additional services. They reside at 1366 Kotenbey Ave., San Jose.

Mr. and Mrs. Field, who have resided at 125 N. Second Street, for the last 20 years, came to Campbell from Independence, Kansas. Carl grew up in McPherson, Kansas, however, where he was active in all types of sports, specializing in basketball. Although his plans for the immediate future are indefinite, he plans to devote considerable time to golf.

The Fields have two sons and two daughters, Carl B. Field Jr., of Montana, Mary Sue Field, Mrs. Ray Betcher, and Richard L. Field, of Campbell. They have seven grandchildren.

On Annexations

City of San Jose May Honor "Gentlemen's Agreement"

It all depends now on San Jose's ciy council whether that city's annexation thrust into Campbell's "sphere of influence" along the north side of W. Rosemary Lane between Winchester Road and the Rosemary School will be dropped.

That's what Mayor John M. Chargin told the Campbell City Council Monday night in reporting the success of his negotiations with San Jose City officials over the "Maywood No. 7" annexation of San Jose.

Chargin said San Jose's City Clerk, Frank Greiner, agreed that the annexation was in violation of the so-called "gentlemen's agreement" between the two cities that would halt San Jose at Payne Ave. The city clerk pointed out, however, that the determination of that matter is in the hands of the City Council.

Campbell's City Council had filed an objection with San Jose two weeks ago when the council was first notified of San Jose's intention.

An objection was filed Monday night by Campbell's Council to still another annexation move on the part of San Jose. This one called "Cypress No. 3" would take in 20 acres south of Payne Ave. The Council also felt that this also extended into Campbell's "sphere of influence" and was contrary also to the gentlemen's agreement.

ATTEND SEMINAR

Joe Anello, advertising manager of The Press, and his assistant Mrs. Anita Jacobus, will attend the annual seminar at San Jose State College tomorrow and Saturday. Attending also will be Miss Faye West, advertising major at San Jose State who is doing her internship on the staff of The Press for the fall semester.

On The Line in Campbell

—o—

Charles M. Steele, 42, 808 Hazel Ave., Campbell, received head and leg injuries when the car in which he was riding struck a walnut tree at Union Ave., and McGlincey Lane, Sunday. Driver of the car was Jesse Woodrow Tait, 38, of 236 W. Rincon Ave., Campbell.

—o—

Clyde E. Wolters, son of Mr. and Mrs. Harry E. Wolters, 971 San Jose - Los Gatos Road, Campbell, an air conditioning and refrigeration engineering major at Cal Poly in San Luis Obispo, is one of three seniors who are now engaged in testing proper heating, cooling and ventilating of a radical but comparatively low-cost and easily constructed type of building. Wolters has had 15 years of practical experience in the field to back up his three years of college work.

—o—

Councilman Richard Morton, former mayor of Campbell and a graduate of Campbell High, spoke to the class on consumer education at Campbell High on Monday. Morton's talk was on contracts.

—o—

Johnny Ray Ball, 21, of 64 Gilman Ave., Campbell, was found guilty last week of possession of narcotics by a jury in Superior Judge M. G. Mutolo's court. Ball was arrested April 27 when police, looking for two holdup suspects, found 35 marijuana cigarettes in a kitchen cupboard.

William Stanley White, 61, of Woodacre, Marin County, died unexpectedly Monday afternoon while visiting at the Gary Murphy residence, 1707 Villarita Drive. White arrived at the Campbell home about noon according to Deputy Coroner Dick Mayne, for a visit. A member of the family found him lying on the kitchen floor at about 3 p. m. apparently a victim of a heart attack.

—o—

The Press this week changed its production schedule and began publishing its Merchandiser in time for Wednesday evening distribution. The Merchandiser goes to all homes in the Campbell area. There is no change in the distribution date of The Press itself.

—o—

The City of Campbell was the recipient this week of a safety award from the League of California Cities and State Compensation Insurance Fund for completing the period between January 1 and June 30 without a disabling injury.

—o—

Arthur C. Sutton, sonarman third class, USN, son of Mr. and Mrs. Walter A. Sutton of 90 E. Hamilton Ave., Campbell, returned to San Diego, Calif., recently, aboard the destroyer USS Braine, completing a six-month tour of duty in the Far East and Western Pacific. The Braine left her home port in mid-April, stopping in Pearl Harbor and Suva, Fiji Islands enroute to Melbourne, Australia.

EASTFIELD'S DREAM COMES TRUE . . . after two years of planning. Karl Marshall, executive director of Eastfield, looks on while Mrs. Lois Butcher (left), president of the Junior Auxiliary, and Mrs. Wesley Lindsay (right), president of the board of directors, together turn the first shovelful of dirt at official ground breaking ceremonies for two cottages. The ceremonies were held last Friday on the child welfare center's five acre site on the corner of Latimer and Llewellyn Avenues and included a welcoming message from Mayor John Chargin and brief talks by welfare and county officials, and members and directors of Eastfield. Photo by Van Rossem

Cava Heads Five-Man National Guard Board

Sam P. Cava, secretary-manager of the Campbell Chamber of Commerce was named acting chairman of a five-man National Guard Advisory board by Mayor John M. Chargin on Monday night.

Serving with Cava will be Deputy Coroner Richard Mayne (former Campbell police officer); George Miskulin, athletic director of Campbell High School District; Dr. Robert Wade, Campbell physician and surgeon and Michael Brusin, accountant.

The purpose of the board will be to interest young men in Campbell in the National Guard. The local board will work with the conuty commission and act as liason between the local area and guard headquarters in case of emergency.

QUALIFIES

Oscar Eldon Frederic, 545 Komsthoeft, Campbell, has qualified for a painting and decorating contractor's license before the contractor's state license board.

A City Park?

A determined effort should be made to obtain and devel- of a recreational area for the City of Campbell, Councilman Charles Rose told his fellow councilmen Monday night. He thought that a citizens committee should be named to work toward that goal.

Acting on his suggestion the Council decided to request the Planning Committee to supplement its present park committee with a citizen's group to make a study of the possibilities for a park and recreational center within the city limits.

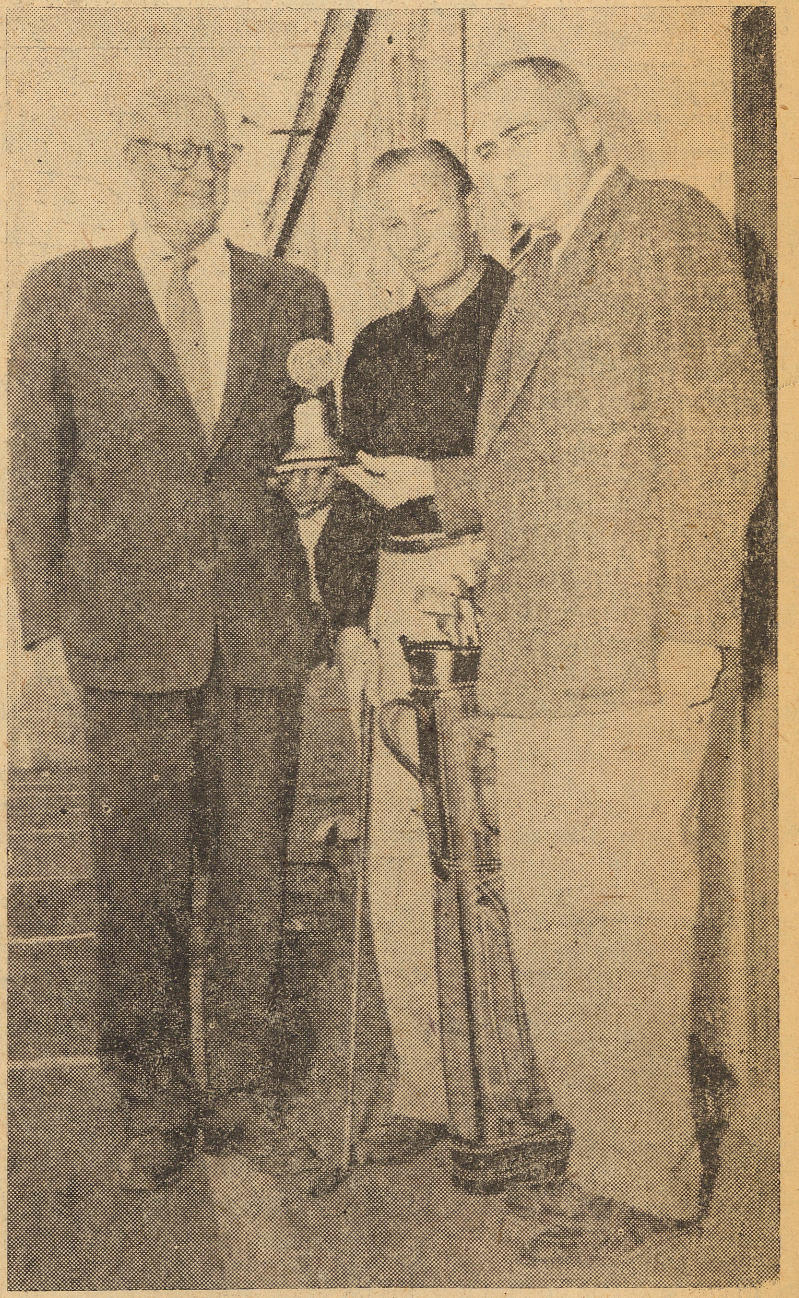
Merchants Group Meets On Yule Decorations

Mrs. Emily McConnell, of Rachel's Dress Shop, chairman of the Merchants Committee, is calling a special meeting of a merchants group for Monday at 8 p.m. in the Chamber of Commerce office, 19 S. First St., to plan the Christmas decoration program for the business section of the town.

On Monday the City Council gave its approval for the erection of the decorations and Mrs. McConnell's committee will discuss the financing and extent of the areas to be covered at next Monday's meeting.

U. N. CHAIRMAN

Councilman Charles Schmidt was named United Nations Day Chairman by Mayor John M. Chargin on Monday night when the Council designated today (Thursday) as United Nations Day.



RING THAT BELL . . . KIWANIS WIN AGAIN . . . Oliver Jensen, president of the Campbell Kiwanis Club (left) and Bill Means, president-elect (on the right) hold onto the bell presented to the local club at the Long Beach Kiwanis convention symbolic of most attendance mileage traveled by delegates. The local club had 33 members at the convention. Henry Jewell (center), holds his trusty putter that enabled him to win his flight in the Kiwanis golf tourney. Jewell also served as campaign manager for division 12 for Jim Parish of Los Altos, who was named governor at the convention. This is the fourth time that the Campbell Kiwanis Club has won the bell at the convention. Campbell Press photo.

Rites Held for Lewis R. Rathbun

Funeral rites were held Saturday at Campbell Memorial Chapel for Lewis R. Rathbun, 72, who passed away last Thursday in a San Jose hospital after a lengthy illness. Interment was in Los Gatos Cemetery.

Mr. Rathbun was the husband of Mrs. Elsie Rathbun, linotype operator at the Campbell Press, both residents of Campbell for 25 years until moving to Los Gatos a few years ago. Prior to his illness, he and his wife operated a print shop in Los Gatos for 20 years. He was a native of Lida, Minnesota.

Besides his widow, he leaves a sister, Mrs. Sadie Van Cleve of Zenith, Washington; nephews, Joe R. Mounts of Minnesota, Horace Mounts of Oregon, Lewis R. Mounts of Barstow, Walter R. Mounts of San Jose, William S. Mounts of Los Gatos; and numerous other nieces and nephews.

Whist Party Friday

Native Daughters of the Golden West Parlor 317, will hold a Whist party at Carpenter Hall, Los Gatos. Friday, October 25, at 8 p.m. The public is invited to attend.

There will be a door prize, table pdizes, and refreshments.

Schools Near Goal In Campbell Drive For United Givers

Campbell United Givers campaigners have collected $4008 or more than .47 per cent of their $8500 drive goal, Merv Willoughby, Campbell chairman, announced at last week's report meeting.

Another report meeting luncheon will be held today at noon at the Sainte Claire Hotel in San Jose.

Willoughby said that Campbell schools were leading in the campaign having pledged $2967 or more than 84 per cent of their $3500 goal. Mrs. Helen Andres is school division drive chairman.

The business, commerce, industry and public employees divisions under Homer H. Hyde and Jack Payne reported collection of 21.3 per cent of their $1600 goal.

Mrs. E. T. Litynsky, Campbell postmaster, reported her residential division campaigners had collected 14 per cent of their $3000 goal.

SJS Hosts Texans

With their second win of the season under their belts after a 46-0 rout of San Diego State last week, San Jose State's Spartans meet the North Texas State Eagles Saturday at 8 p.m. at Spartan Stadium.

The Spartans have won one and tied one in previous games against the Eagles. The Eagles have a 1-4-0 record this season.

Eastern Star Holds Initiation

Several new members and affiliates were received into Campbell Chapter 553, Order of Eastern Star, at an initiation ceremony held last Friday evening. Mrs. Harold Adams, worthy matron, and Fred Johnson, worthy patron, presided over the meeting.

Star Circle members, with Mrs. Calvin Barnett as chairman, were in charge of the evening's entertainment. Tables in the banuet hall were decorated in black and orange to carry out the Halloween theme.

Directors Act Tonight On 'Old Settlers' Future

Directors of the Campbell Chamber of Commerce will hold a special meeting tonight at 8 in the C. of C. office, 19 S. First St., to decide whether the Chamber should continue to sponsor the annual Old Settlers Day celebration or turn the task over to some club or other organization in the community.

According to Douglas Beatty, C. of C. president, the agenda tonight also calls for discussion on the possibility of a band concert to raise funds.

The directors are also expected to accept the resignation of George Vierhus as a director and make an appointment to fill the vacancy created by his resignation.

High Schools Plan Parent Reception

Last minute preparations are now under way for the annual Freshman Reception for parents at both Campbell and Camden High Schools.

Parents of freshman students will have an opportunity to hear the school program explained by staff members, meet class officers and faculty advisors who work with freshman students.

Camden's reception will be held tomorrow evening, October 25, and Campbell High's on Wednesday, October 30.

St. Lucy's Guild Completes Plans For Style Show

With "Winter Wonderland" as a theme, Macy's fashions for men, women, and children will be on display at a style show being sponsored by St. Lucy's Mothers' Guild at Hawaiian Gardens Terrace on Wednesday, November 13. The fashion show will follow a turkey dinner to be served at 7:30 p.m. Commentator will be Mrs. Adolph Pedrin, a member of the Guild.

Final plans for the show were made at Monday's meeting of the Guild which was conducted by the president, Mrs. Herbert Mabie.

General chairman for the affair is Mrs. John Fleming. She is being assisted by the following committee chairmen:

Mesdames L. Howell, hostesses; F. Bush, models; N. R. Mowery, wardrobe; W. Fisher and Richard Valentine, decorations; N. H. Morton, J. C. Corcoran and Frank Callahan, favors; George Del Grande, drawings; Ralph Doetsch, reservations; H. Smith and Peter Georgianni, program; Alice Schmidt. publicity; Raymond Martin, door prizes; and Dougles Harville, music.

Steindorf Plans Halloween Dance

Goblins and gremlins in cottons and jeans will cavort to the haunting refrains of an orchestra at a Halloween Barn Dance to be held at Steindorf School Saturday evening, October 26.

The public is invited to come and join in an evening of ghoulish fun. The cost per couple is nominal and refreshments will be served. There will be a door prize.

GOP Fashion Show Set for Monday

The fourth annual fashion show of the San Jose Council of Republican Women will follow a 12:30 p.m. luncheon on the Hawaiian Gardens' Terrace Monday, October 28. Mrs. Thomas S. Gates, Jr., wife of the Secretary of the Navy is expected to be the guest of honor.

On display will be fashions from Leone Van Arsdale, furs from Tarlow's, millinery by Bon Ton and hair styles by EmRae Coiffures. Mrs. Robert Bell will be commentator.

Theme of the hour-long show will be "Palettes and Pivots", with stage settings and decorations furnished through the cooperation of the Artists' Guild of Santa Clara County.

Among the models will be Mesdames Charles S. Gubser, Bruce F. Allen, Grant B. Rowe, I. Norman Downer, Herbert Dempsey, J. W. Parsens, M. M. Rinearson, Walter Borchers, Elmer W. Grischy and George L. Ritchie, all members of the GOP organization.

Tickets may be obtained by phoning Mrs. Larzelere at Cy 7-5253, Mrs. Rinearson at Cy 5-0793, or Leone Van Arsdale Fashions at ES 7-1434.

San Tomas Cubs Meet Friday in Ghostly Setting

"Ghosts and Goblins" will be the theme for Friday's meeting of Cub Pack 30 at San Tomas School at 7:45 p.m. Amid a Halloween setting each den will put on a short skit after the month's awards have been presented by Cubmaster Bill Good.

Cubs to receive awards are: LeRoy Hariman, Webelos; Larry Knoop, Lion badge; Craig Janes, Jim Cardellino, Jerry Raley and David Garner, Wolf badge.

Gold and silver arrows will be presented to Tom Blackburn, Charles Cook, David Garner, Terry Vierra, Jim Davis, Tommy Walker, Wyn Hack, Dennis Evans, and Richard Evans.

Tony Cattaneo will be awarded a one year pin while two year pins will go to Eddie Bush, Paul Eades, Pat Farrell and David Graham-Armstrong.

Newly elected denners and assistant denners to serve this quarter are: Douglas Ruddel, Tommy Walker, Jim Davis, Tom Blackburn, Charles Eades, Pat Farrell, Wyn Hack and Charles Cook.

Music Students To Give Recitals

The Santa Clara County branch of Music Teachers' Association of California announces it has scheduled a series of monthly student recitals for elementary students through Young Artists.

The first recital of the series will be held at 8 p.m. Friday, October 25, in Room 125 of the Music Building at San Jose State College. Elementary through early advanced grades of music will be featured on this program.

Students to appear are: Jean Adams, Don Amori, Jean Bridges, Linda Brown, Gary Conklin, Beverly Fish, Alice Groch, Joanne Heide, John Lakstigala, Susan Malone, Judy Morell, Martha Pope, Mary Monson, Demerris Moon, Becky Pope, and John Soderstrom.

Girl Scouts Have Active Program

Fall activities for Girl Scouts of Troop 371 are now in full swing.

Last week the troop was a guest of one of its members, Kim Untiedt, at a swimming party. This coming Saturday, October 26, the girls will leave Campbell Grammar School at 7:45 for a visit to Edleweiss Dairy where they will be taken on a conducted tour of the farm.

Beginning Friday, November 1, the Girl Scouts will start their annual calendar sales. All proceeds from the sale will go to help maintain the Girl Scouts' Camp Skylark

SERVICES HELD SATURDAY

Services were held Saturday in San Jose for Mrs. Viola F. Pearson, 71, who was found dead Wednesday in her cottage behind the home of her son, Howard Haskins of 446 Emory Ave., Campbell.

Interment was in Oak Hill Memorial Park.

MAIN SPEAKER . . . **Secretary of the Navy Thomas S. Gates, Jr. who will make the main address for the Santa Clara County Republicans at their annual fund-raising GOP $100-a-plate dinner at the Hawaiian Gardens in San Jose, Monday night, October 28. Mrs. Ruth Ninnis and Howard Lillingston are the Campbell chairmen**

GOOD PLUMBING SERVICE
COSTS LESS THAN YOU THINK!

"The best Friend our house has ever had!"

That's the way Mrs. Virginia Cannell describes her licensed plumbing contractor.

Mrs. Cannell, who lives at 1856 McDaniel in San Jose with her husband, two sons and daughter, spends a good deal of time preparing meals, cleaning up, washing clothes and doing all the other chores of home-making.

Mrs. Cannel says, "I've learned that it pays to keep the plumbing system of our home in good working order. In fact, in many ways our licensed plumbing contractor is the best friend our house has ever had. Thanks to him our washing machine, water heater and dishwasher are kept in good working order and that saves time and money."

Good plumbing service costs less than you think. Whenever you buy, repair, install or remodel, call a licensed plumbing contractor.

SCHOOL NEWS

Moorpark PTA

Moorpark PTA meeting nights have been changed from the second Tuesday of the month to the third Tuesday to enable parents having children in Monroe and Moorpark Schools to attend meetings at both schools.

The new meeting schedule will start with the November 19 meeting.

The committee in charge of the membership drive report 295 paid memberships to date, nine of which are teachers. It also announced proceeds from the salvage drive would be used to help balance the budget.

Next Thursday, October 31, students will wear costumes to school and have a Halloween parade on the school grounds. Parents are invited to come and watch.

—o—

CLUB AND LODGE MEETINGS

Star Circle, O. E. S.

Members of Star Circle, Order of Eastern Star, will meet at the home of Mrs. Vernon Suess, 133 W. Rosemary Lane, Friday, October 25, at 12:30 noon..

—o—

CHURCH BULLETINS

First Church of Christ, Scientist

Man's responsibility for spiritual growth and progress will be brought out in the lesson-sermon entitled "Probation after Death" at Christian Science services Sunday.

Scriptural selections to be read include the following (Philippians 3:13-15): "Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before. I press toward the mark for the prize of the high calling of God in Christ Jesus. Let us therefore, as many as be perfect, be thus minded: and if in anything ye be otherwise minded, God shall reveal even this unto you."

The public reading room at 309 E. Campbell Ave. is open Monday, Wednesday, Friday and Saturday from 11:30 a.m. to 3:30 p.m.

—o—

First Methodist Church

Next Sunday, October 27, the Rev. Herbert W. Neale will preach on' 'The Fear of the Familiar". Worship services are held at 9:30 and 11 a.m. Sunday School classes for all ages meet at the same hours. Families are invited to come together.

Wesley Fellowship, a group for older youth, will begin a new series of discussions on "Thinking About Marriage" led by Reverend Neale. The group meets at 7 p.m. Sunday evenings in the pastor's office.

The high school Methodist Youth Fellowship will hold its regular Sunday evening meeting at 7 p.m. in the Fireside room. The group is sponsoring a Halloween party for all high school age youths this coming Saturday, October 26, at 8 p.m. in the Fireside room. The party theme is "Dogpatch Craze" and all those attending are asked to wear appropriate costumes and to bring 25c to help with expenses.

The Tandem Club, for all couples, will hold its Halloween costume party Friday, October 25, at 8 p.m. in the Fireside Room. Each couple is asked to donate $1.00 to help with expenses. For reservations call the church office, FR 8-3173.

Members of the Junior department of the Sunday School will have a skating party Sunday, October 27, from 4 to 6 p.m. Seventh graders have been invited to attend. All children wanting to take part in the fun should meet at the church at 3:15. Transportation will be provided.

The annual bazaar, sponsored by the Woman's Society of Christian Service, will be held Wednesday, October 30, from 10:45 a.m. until after supper of that day. A great variety of merchandise will be on sale at various booths.

—o—

Prince of Peace Lutheran Church

"Reformation Today" will be the theme of the sermon this coming Sunday at Prince of Peace Lutheran Church. Pastor Welchert will use Galatians 2:16-21 as his text.

Family Night and a potluck supper are being sponsored by the ULC Women Sunday evening, October 27. It is the public "Thank Offering" service of this organization. The main part of the program will be a showing of the film, "Younger Brother".

When wine is poured into a glass, the bottle should be twisted slightly as it is raised to catch the last drop and keep the wine from dripping on the table.

Annual Methodist Bazaar Set for Next Wednesday

"Harvest Festival" is the theme for the annual bazaar to be held next Wednesday, October 30, at the First Methodist Church, 381 N. Winchester Road. Sponsor of the all day and evening affair is the Women's Society for Christian Service. Mesdames Herbert Binley and Earl Buck are co-chairmen. 10:45 a.m. and lunch will be

Doors open to the public at 10:45 a.m. and lunch will be Cake and coffee will be on sale during the afternoon and a cafeteria-style dinner served from 5:30 to 7 p.m.

The bazaar will feature a large array of Christmas gifts as well as baked delicacies and has been planned to help everyone have a good time.

Booths include aprons, all kinds of needlework, toys, a book-nook, plants, candy, cooked foods, baked goods, "white elephants", flower arranging material, innumerable Christmas items, and a fish pond sponsored by the Methodist Youth Fellowship group.

'In Gay Paris' Themes Netops Fashion Show

The latest styles for women and teenagers, from casual sportswear to formals, will be shown at a fashion show being sponsored by Netops Council No. 247, Friday, October 25, in IOOF Hall. Theme of the show to begin at 8:15 p.m. is "In Gay Paris".

Audrey's Dress Shop in San Jose is providing fashions and the commentator for the affair.

Junior-size fall fashions will be modeled by the Misses Nancy Weeks, Linda and Leila Sterling, and Abbey Falco.

Council members displaying fashions will be Mesdames Carmin Falco, Lewis Haller, Donald Johnson, Phyllis Radford, Maxine Smith, Eugene Schultz, Edna Black, Robert Schroebel, Harold Hughes, and Gladys Smith.

Tiny-tot fashions will be shown by Christine Loveday.

A drawing and refreshments will conclude the evening.

Tickets for the show, open to the public, can be obtained at the door or by phoning FR 8-6734.

Young Couple Recite Vows at St. Lucy's Church

Now at home at 375 Kuehnis Drive, Campbell, after their honeymoon trip to Lake Tahoe, are Mr. and Mrs. Guido Poppi who were married Saturday, October 12, in St. Lucy's Catholic Church. The Rev. Father Thomas Ahern performed the mid-afternoon double ring ceremony.

The bride is the former June Marie Epperson, daughter of Mr. and Mrs. Homer C. Epperson of 845 Smith Ave. and sister of Mrs. Phillip Cooper, Mrs. Jack Keisner, and Floyd Epperson. She graduated from Campbell High School in 1956 and has been employed at San Jose Hospital for the past year.

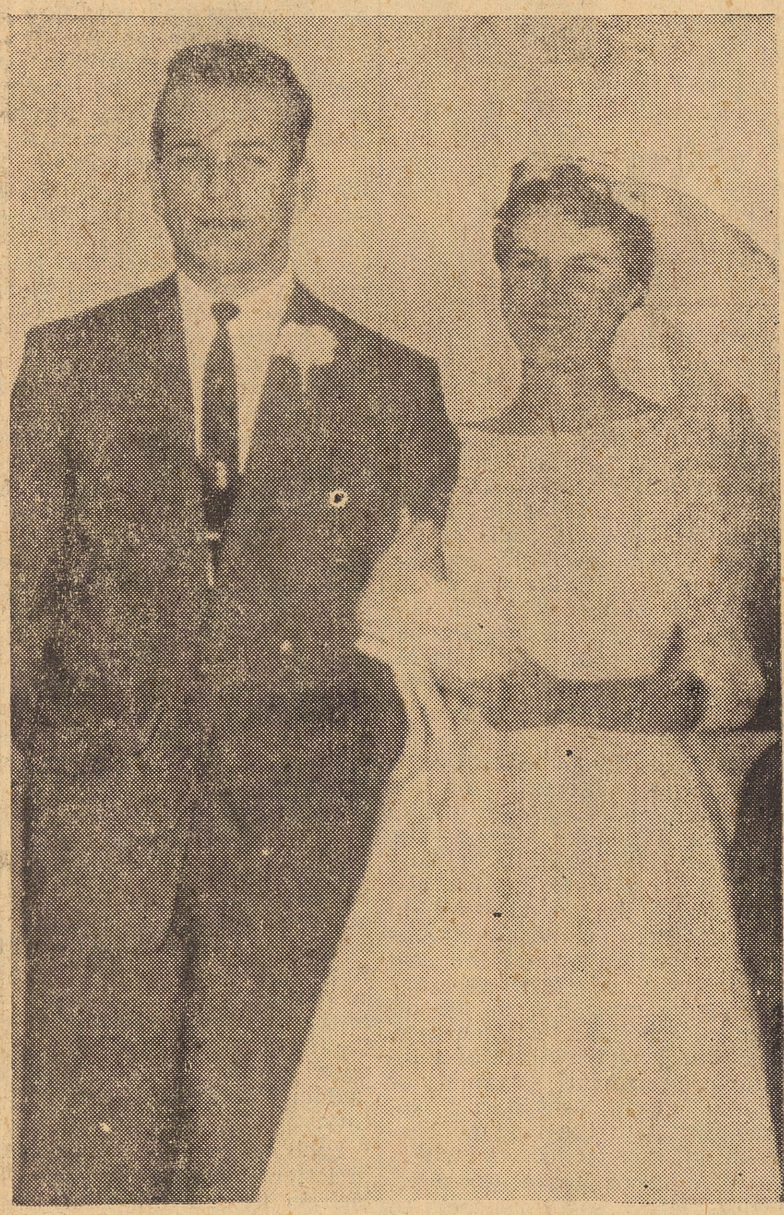
The groom is the son of Mr. and Mrs. Julius Poppi of 2024 Rexford Way, San Jose, and brother of Mrs. Anna Morelli and Julius Poppi, Jr. He is a 1950 graduate of Alhambra High School and has served three years with the U. S. Army; 16 months in Korea with the 7th Infantry Division. He is now attending the University of Santa Clara and employed by Carlino Brothers of San Jose.

For her wedding, June selected a white ballerina-length gown with fitted lace bodice styled with three-quarter sleeves and scoop neckline and a bouffant taffeta skirt with back bustle-bow. Her elbow length veil was secured to a crown of lace and seed pearls and she carried a Bible marked with a white orchid and satin ribbons when given in marriage by her father.

Matron of honor and only attendant of the bride was her sister, Mrs. Phillip Cooper, who wore a blue gown with white trim and a corsage of baby orchids.

Julius Poppo, Jr., served as best man and Miss Marilyn Ott was organist.

Mrs. Epperson chose a blue suit with red accessories for her daughter's wedding. Mrs. Poppi, mother of the groom, wore a grey suit with white accessories. Both mothers pinned on corsages of baby orchids.



NEWLYWED MR. AND MRS. GUIDO POPPI . . . are shown immediately following their wedding October 12 at St. Lucy's Catholic Church. The bride is the former June Marie Epperson, daughter of Mr. and Mrs. Homer C. Epperson of Smith Ave. The newlyweds are the first couple to be married in the newly completed church on Winchester Road.

Immediately after the wedding, a reception was held at the home of the bride's parents for 100 guests who offered their felicitations to the young couple. Table centerpiece was a three-tiered wedding cake wreathed with orange blossoms and topped with a miniature bride and groom.

Before leaving for Lake Tahoe, the new Mrs. Poppi donned a grey sheath dress and white jacket with white accessories.

Striped bass were planted in the waters of San Francisco Bay in 1879 and 1882.

Petaluma is 33-¼ nautical miles from the Ferry Building in San Francisco.

LEGAL NOTICE

RESOLUTION NO. 14069

RESOLUTION OF THE COUNCIL OF THE CITY OF SAN JOSE GIVING NOTICE OF THE PROPOSED ANNEXATION OF CERTAIN UNINHABITED TERRITORY TO SAID CITY; DESCRIBING SAID TERRITORY AND DESIGNATING IT BY THE NAME BOYNTON NO. 9A; MAKING CERTAIN FINDINGS RESPECTING SAID PROPOSAL: AND GIVING NOTICE OF TIME AND PLACE SAID COUNCIL WILL HEAR PROTESTS THERETO.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE:

WHEREAS, on the 7th day of October, 1957, there was filed with the Council of the City of San Jose a petition requesting the annexation to the City of San Jose of all the territory hereinafter described; and

WHEREAS, this Council has received evidence showing that, and finds that, a written description of the proposal to annex said territory to the City of San Jose was filed with the Secretary of the Boundary Commission of Santa Clara County, California, on June 25, 1957, and that said Boundary Commission has prepared, or caused to be prepared, a report to the proponents of said annexation upon said annexation proposal, all as required by law, and that said Boundary Commission has approved the boundaries of said proposed annexation; and has received evidence showing, and finds that the above mentioned petition was not circulated, signed or filed with this Council until after said Commission had made, or caused to be made, said report and had approved said boundaries; and

WHEREAS, this Council further has received evidence showing, and finds:

(1) That said territory is situate immediately adjacent to and touches and is contiguous to the boundaries of the City of San Jose; and

(2) That less than twelve registered voters resided within said territory at the time the above mentioned petition was filed with this Council, and that said territory is therefore uninhabited; and

(3) That said petition is signed by owners of not less than one-fourth of the land in said territory by area, and by assessed value as shown on the last equalized assessment roll of the County of Santa Clara, California, in which said County such territory is situated; NOW, THEREFORE:

1. NOTICE IS HEREBY GIVEN that, pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, a petition signed by owners of not less than one-fourth of the land in the hereinafter described territory by area, and by assessed value as shown on the last equalized assessment roll of the County of Santa Clara, California, requesting annexation of the hereinafter described territory to said City of San Jose as uninhabited territory pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939 of the State of California, was filed with the Council of the City of San Jose on October 7, 1957;

2. NOTICE IS HEREBY GIVEN that Monday, November 18, 1957, at the hour of 8:00 o'clock P.M. of said day, in the Council Chambers of the Council of the City of San Jose in the City Hall of said City of San Jose, Santa Clara County, California, is the time and place this Council of the City of San Jose will hear protests made by any person owning real property within the territory, hereinafter designated and described, proposed to be annexed to the City of San Jose. At any time before the hour set for hearing objections any owner of property within the territory proposed to be annexed to the City of San Jose may file written protest against the annexation. Said written protest shall state the name of the owner of the property affected and the description and area of the said property in general terms. At the time set for hearing protests, or to which the hearing may be continued, said Council shall hear and pass upon all protests so made.

3. The City Clerk of the City of San Jose is hereby directed to cause a copy of this resolution to be published in the West Side Resident, a newspaper of general circulation in the City of San Jose, and in the Campbell Press, a newspaper of general circulation published outside the City of San Jose but within the County of Santa Clara, California, in the manner and time and as required by law, and to cause written notice of the proposed annexation to be mailed to all persons or bodies to whom such notice is required to be mailed by law, in the manner and within the time required by law.

4. The territory proposed to be annexed to the City of San Jose and hereinafter described is hereby designated Boynton No. 9A.

5. The above said territory proposed to be annexed to the City of San Jose is hereby described as all that territory situate in the County of Santa Clara, State of California, bounded and more fully described as follows:

BOYNTON NO. 9A

Beginning at the Northwest corner of Lot 43 of Tract No. 176, a map of which is recorded in the Office of the County Recorder of Santa Clara County, California, in Book 5 of Maps, at pages 42 and 43, records of Santa Clara County; said point of beginning being in the center line of Blackford Avenue; thence Southerly along the Westerly line of said Lot 43 to the Southwest corner of said Lot 43; thence Easterly along the Southerly line of said Lot 43 to where said Southerly line of said Lot 43 meets the Westerly line of that certain 10.0 acre parcel of land described as Parcel 2 in the deed from Max Richier and Catherine Richier, his wife, to William H. Stuart, dated March 9, 1935 and recorded April 26, 1935, in the aforesaid Office of the County Recorder of Santa Clara County, in Book 728 of Official Records, at page 242, records of Santa Clara County; thence Southerly along the said Westerly line of said 10.0 acre parcel to where said Westerly line of said 10.0 acre parcel meets the Northerly line of Williams Road; thence Easterly along the said Northerly line of said Williams Road to where said Northerly line of said Williams Road meets the Easterly line of the 10.0 acre parcel of land last above mentioned; thence Northerly along the said Easterly line of said 10.0 acre parcel to where said Easterly line of said 10.0 acre parcel meets the Southerly line of that certain parcel of land described as Parcel V in the deed from Katherina Richter and Max Richter to Campbell Union High School District, recorded in the aforesaid office of the County Recorder of Santa Clara County, in Book 3669 of Official Records, at page 399, records of Santa Clara County; thence Easterly along the said Southerly line of the last above mentioned parcel to the Southeast corner of said last above mentioned parcel, said Southeast corner of said last above mentioned parcel being also the Southwest corner of that certain parcel of land described as Parcel II in the deed from Lucille Aversente and Frank Aversente, her husband, to Campbell Union High School District, recorded in the aforesaid Office of the County Recorder of Santa Clara County, in Book 3672 of Official Records, at page 523, records of Santa Clara County; thence continuing Easterly along the Southerly line of the last above mentioned parcel to the Southeast corner of said last above mentioned parcel, said Southeast corner of said last above mentioned parcel being also the Southwest corner of that certain parcel of land described as Parcel 1 in the last above mentioned deed; thence continuing Easterly along the Southerly line of said last above mentioned parcel to the center line of Boynton Avenue, said point in the said center line of said Boynton Avenue being Southerly 1500 feet to the point of intersection of said center line of Boynton Avenue with the Easterly prolongation of the center line of Blackford Avenue; thence Northerly along the said center line of said Boynton Avenue to where said center line of said Boynton Avenue meets the Southerly line of Lot 17 of Tract No. 129, a map of which is recorded in the aforesaid Office of the County Recorder of Santa Clara County; in Book 4 of Maps, at pages 36 and 37, records of Santa Clara County, said Southerly line of said Lot 17 being in the City Limits line of the City of San Jose; thence continuing Northerly along the said center line of said Boynton Avenue, said center line of Boynton Avenue being in the City Limits line of the City of San Jose, to where said center line of said Boynton Avenue meets the Easterly prolongation of the center line of said Blackford Avenue; thence Westerly along the said Easterly prolongation of the said center line of said Blackford Avenue and continuing Westerly along the center line of said Blackford Avenue to the point of beginning.

ADOPTED this 7th day of October, 1957, by the following vote:

AYES: Councilmen: Delmas, Moore, Solari, Starbird, Watson and Doerr.

NOES: Councilmen: None

ABSENT: Councilmen: Hathaway.

LEGAL NOTICE

LEGAL NOTICE
ORDINANCE NO. 141

BEING AN ORDINANCE OF CITY OF CAMPBELL AMENDING ORDINANCE NO. 31 REGULATING EXCAVATIONS AND THE MOVING AND RELOCATING OF BUILDINGS, AND REPEALING CERTAIN SECTIONS AND ADOPTING NEW SECTIONS REGULATING MOVING AND RELOCATION OF BUILDINGS AND STRUCTURES, BEING A PART OF ARTICLE VI ENTITLED "STREETS, HIGHWAYS, WATER WAYS AND PUBLIC PROPERTY" OF THE CAMPBELL MUNICIPAL CODE.

The City Council of City of Campbell does ordain as follows:

SECTION ONE: That Sections 14:16 to and including Section 14:30, comprising Chapter Three, Part One of Ordinance No. 31, entitled "Regulations on Moving buildings and Structures" be and the same are hereby repealed.

SECTION TWO: That the said sections be and the same are hereby replaced by the following new sections bearing the same number, and forming Chapter Three, Part One of Ordinance No. 31 entitled "Regulations on Moving Buildings and Structures":

Section 14:16. Definitions.

(1) Building or structure as used herein is defined as a roofed enclosure of not more than 100 square feet of floor space which can be used or occupied by persons, animals or property.

(2) The term "person" shall include firms, partnerships, associations, corporations, companies and organizations.

Section 14:17. Permit Required.

No person shall move any building or structure over, along or across any highway, street or alley in the City of Campbell without first obtaining a Permit in writing from the City Clerk setting forth all conditions under which the Permit is granted.

Section 14:18. Application.

A person seeking issuance of a Permit hereunder shall file an application for such Permit with the City Clerk.

(1) Form. The application shall be made in writing, upon forms provided by the City Clerk and shall be filed in quadruplicate in the office of the City Clerk who shall transmit one (1) copy to the Building Inspector, one (1) copy to the Chief of Police, and one (1) copy to the Traffic Engineer.

(2) Contents. The application shall set forth:

(a) A description of the proposed building to be moved, giving street number, construction materials, dimensions, number of rooms and condition of exterior and interior.

(b) A legal description of the lot from which the building is to be moved, giving the lot, block and tract number, if any.

(c) A legal description of the lot to which it is proposed such building be removed, if such new location is inside the City, giving lot, block and tract number, and the street name and house number, if any. If the new location of the building is to be outside the City, a general designation of the proposed location will be sufficient.

(d) The portion of the lot to be occupied by the building when moved, if such lot is inside the City.

(e) The highways, streets and alleys of the City over, along or across which the building is proposed to be moved.

(f) Proposed moving date and hours.

(g) Any additional information which the City Clerk shall find necessary to a fair determination of whether a Permit should issue.

Section 14:19. Locating Inside City. Moving Notice.

Upon filing of an application to move an old or previously occupied building to a location inside the City, the Building Inspector shall cause a notice to be posted on the front and rear of the proposed location, and on the front of the building proposed to be moved, if such building is located inside the City.

Such notice shall have a title in letters not less than one (1) inch in height, "MOVING NOTICE"; shall give the location of the house by street and number and the name and address of the applicant desiring a Permit to move such building; shall set forth the date of the posting; and shall state that protests may be filed with the Planning Commission of the City of Campbell within five (5) days after the date of posting of such notice, excluding Saturdays, Sundays and holidays.

Section 14:20. Issuance of Permit. Hearing.

After the above described notices have been in place five (5) days, excluding Saturdays, Sundays and holidays, and if no written protests have been received by the Planning Commission, City Clerk shall issue the Permit subject to all of the provisions of this Ordinance. If written protests are filed with the Planning Commission, the Secretary of the Planning Commission shall set a time for hearing before the Planning Commission, which time shall not be sooner than three (3) days nor later than twenty days (20) days from the date of the filing of the protest. The Secretary of the Planning Commission shall notify the City Clerk, the applicant, and the other interested parties of the hour set for such hearing. No permit shall be issued by the City Clerk unless the Planning Commission shall deny the protests.

Section 14:21. Improvements. Bond.

In addition to the conditions under which a Permit may be issued to move a building or structure to a location inside the City as specified in this Ordinance, the Planning Commission may, in all cases where a protest in writing has been received, and a hearing has been held thereon, require an applicant to make such improvements and repairs to the building or sructure sought to be moved as in the opinion of the Planning Commission are warranted, and shall require said applicant to post a surety bond or cash with the City Clerk, in an amount sufficient to secure the faithful performance by the applicant of all repairs and improvements which the Planning Commission orders made as a condition to the granting of such permit.

Section 14:22. Appeal.

Any person who is dissatisfied with the decision of the City Clerk or of the Planning Commission may, within thirty (30) days appeal therefrom to the City Council. The appeal must be in writing and contain the name and address of appellant and a general statement of the ground of appeal. The City Clerk shall immediately set said appeal for hearing at the next regular meeting of the City Council held not less than five (5) days after the filing of said appeal with the City Clerk. The City Clerk shall give notice of the date, place and time of said hearing by ordinary United States mail, to the applicant, all persons having theretofore filed a protest, and all other interested parties.

Section 14:23. Permit Conditions.

Any Permit issued under this Ordinance shall be subject to the following conditions:

(1) Certificates. No permit shall be issued to move a building to a location inside the City unless there is first filed a Certificate of Inspection, signed by the Building Inspector certifying that he examined the building and that it is structurally strong.

(2) Locations Outside City. No permit shall be issued to move a building through the City from a location either inside or outside the City to another location outside the City unless the proposed route to be followed within the City shall be approved by the Chief of Police and the Traffic Engineer.

(3) Location Within City From Outside. No permit shall be issued to move a building from a location either outside the City or inside the City to a location inside the City unless the building has been inspected and approved, and the route to be followed has been approved by the Chief of Police and the Traffic Engineer. Inspection fees shall be paid by the applicant in accordance with the requirements of City Ordinances regulating building, electrical, plumbing and gas installations. The lot upon which such building is to be moved shall be posted as required for buildings to be moved within the City.

(4) Moving Equipment. No Permit shall be issued unless the application therefor shall specify the type of moving equipment to be used, and the Traffic Engineer shall determine that such moving equipment is not of a type which will be detrimental to the streets or other property of the City.

(5) Permit Fee. No Permit shall be issued unless there is paid to the City Clerk at the time of filing the application for such permit, the applicable fee:

(a) For moving a building or buildings from a location either inside or outside the City, to another location outside the City over a route through the City, there shall be a fee of Ten Dollars ($10.00) for the first building, and a fee of Two Dollars and Fifty Cents ($2.50) for each additional building moved along the same route within the City by the Permittee within thirty (30) days of the date of the permit.

(b) For moving a building or buildings from a location inside or outside the City to another location inside the City, there shall be a fee of Twenty Dollars ($20.00) for each building, except an accessory building, not over four hundred (400) square feet in area, may be moved in conjunction with the moving of a residence from the same location to the same location, without paying an additional fee therefor.

(6) Insurance. No permit shall be issued unless the Permittee shall have first taken out and agreed to maintain at all times public liability insurance in an amount not less than One Hundred Thousand Dollars ($100,000.00) for injuries, including wrongful death, to any one (1) person, and in an amount not less than Two Hundred Thousand Dollars ($200,000.00) on account of one (1) accident, and unless also he shall take out and agree to maintain at all times property damage insurance in an amount not less than Fifty Thousand Dollars ($50,000.00). A Certificate of Insurance shall be filed with the City Clerk prior to the issuance of such permit.

(7) Permit Time Limit. Unless otherwise specified in the permit, such permit shall be valid for a period of thirty (30) days from the date of issuance thereof. For good cause, the City Clerk within his discretion may issue a permit for a longer period, and may renew any permit issued by him, without additional fee therefor, except that no permit shall be valid or renewable for a period longer than one hundred and twenty (120) days from the date of issuance thereof.

(8) The permit shall designate the route of travel to be followed upon the public streets of the City, dates upon which the building may be moved in the City, and hours during which the building may be upon the public streets of the City, all as the same may be recommended by the Chief of Police and/or Traffic Engineer.

(9) The City Clerk may specify any conditions reasonably necessary for the public health, safety and general welfare of the City and its citizens.

Section 14:24. Duties of Persons in Charge.

Every person in charge of the moving of any building on or over the streets shall:

(1) Immediately remove and dispose of any and all debris deposited upon the public right of way or private property resulting from the moving of the building.

(2) Give twenty-four (24) hours' written notice to any person responsible for trimming trees, removing wires, or the doing of other things necessary to permit the moving of the building over the route designated.

(3) Maintain red lights at each corner of the building from one-half (½) hour after sunset until one-half (½) hour before sunrise.

(4) Notify the Chief of Police and the Fire Department of the time of moving and the route over which said building is to be moved at least twenty-four (24) hours prior to said moving.

(5) Provide sufficient signs, barricades and personnel to effect necessary detouring of through traffic as directed by the Chief of Police and/or Traffic Engineer, while the building is upon public streets of the City.

(6) Provide flagmen stationed at the front and rear respectively of the building, together with a suitably marked pilot car if reuired by the Chief of Police and/or Traffic Engineer, while the building is upon the public streets of the City.

Section 14:25. Exceptions.

The provisions hereinabove set forth shall apply to all buildings moved in or into the incorporated limits of the City, except that the following provisions shall apply where applicable:

(1) Temporary Storage in Transit. Buildings or structures may be moved to a location within the City for the purpose of temporary storage thereof, under the following terms and conditions, and subject to the following provisions:

(a) Permittee must have a fixed place of business within the City and have obtained a business license from City to engage in the business of moving buildings or structures.

(b) No such buildings or structures shall be stored at any location, or in any manner, in violation of any other laws or ordinances of the State of California or the City of Campbell.

(c) Any permit issued for the purposes herein provided shall have endorsed thereon, in writing, in addition to the matters otherwise provided for in this Ordinance, the location, and the duration of such storage, and any other conditions specified by the City Clerk and under which such permit is granted.

(d) A permit for such purpose shall be valid for a period of sixty (60) days, and may be renewed for additional periods within the discretion of the City Clerk. The limitation of one hundred twenty (120) days imposed under SECTION 8, subsection (7), shall not be applicable to a permit issued for the purposes herein specified.

(e) The fee for such permit shall be the same as is provided for a permit to move buildings or structures to a location outside the City. Provided, however, that if the said buildings or structures are removed from said temporary storage place to a location inside the City a new permit shall be obtained on the same terms and conditions as are applicable to the moving of a building from one location inside the City to another location inside the City, including the payment of a fee of Twenty ($20.00) Dollars for each such building as hereinabove provided in SECTION 8, subsection (5) (b), less the amount of the fee previously paid by Permittee for the permit to move the buildings to such storage location.

(f) Except insofar as they are inconsistent with the provisions of this section, all of the other provisions of this Ordinance shall be applicable to any permit issued under the provisions of this section.

(2) Temporary Buildings. Whenever an application is filed for a permit to move a building or structure specified in said application to be for use as a temporary construction office or tool storage building, agricultural building, or other temporary use inside or outside the City, the City Clerk may, within his discretion, waive any or all of the provisions of this Ordinance as he shall deem reasonable under the circumstances. All other laws and ordinances of the State of Calfornia and the City of Campbell, including the laws pertaining to the health, safety or general welfare of the public, shall remain applicable thereto.

PASSED AND ADOPTED this 21 day of October 1957, by the following vote:

AYES: Councilmen: Fairchild, Morton, Rose, Schmidt, Chargin.

NOES: Councilmen: None

ABSENT: Councilmen: None.

APPROVED:
JOHN M. CHARGIN
Mayor

ATTEST:
DOROTHY TREVETHAN
City Clerk

Camp Fire and Blue Bird News

The Ko-Da-Ha-Nee Camp Fire Group, consisting of eighth grade girls from Campbell Grammar School, recently met for their first fall session at a "come as you are" breakfast held at the home of their leader, Mrs. L. E. Means, on Poplar Ave.

During the breakfast, the girls, who are working on their Torchbearer rank made plans for the coming year and elected a new slate of officers.

New officers are: Ginger Patton, president; Clare Williamson, vice-president; Marilyn Means, secretary; Diana Carpenter, treasurer; Jeanne Duncan and Margaret Farley, social committee, Carolee Meckler and Gwen Boone, activity committee.

—o—

The Wa-Da-Ta-Ka Camp Fire Girls from Cambrian School are sponsoring a luncheon at 12 noon Wednesday, November 20 at the Country Woman's Clubhouse, (library building), 274 E. Campbell Ave. The public is invited to attend.

The luncheon will have a Thanksgiving theme and is an effort on the girls' part to raise money to support their community service projects which include buying library books for their school, the camp development fund, and county hospital service.

Nursery care will be provided and lunch served by the following girls from this seventh grade group:

Jeanette Bernhard, Rochell Cordis, Sally Fielder, Maureen Hardin, Lynda Johns, Kathy Leavitt, Kathi Morris, Saundra Wergen, Pam Ellenwood, Juanita Thorpe, Betty Ferris, Faye Rogers, and Judy Proctor. Group leaders are Mesdames Elden Cordis and Fred Wergin.

For further information, call Mrs. Orville Johns, ES 7-2758.

—o—

The second and third session of the fall basic training course for Campbell will be held Friday, October 25, and Tuesday, October 29, from 9 a.m. to 12:15 noon. Parents of small children are asked to bring 25c per session for payment of a baby sitter.

The topic to be discussed will be "How to Build Your Program." There will be separate sessions for Blue Birds, Camp Fire, Junior High and Fly-up groups. Also to be covered will be tips on how to make memory books, creative dramatics and aids to leaders from local resources.

The first session had a good turn out and the leaders welcomed several leaders from the Cupertino area which is a new addition to the district. The subjects discussed were on understanding girls at different age levels, the movie "Girls in Camp Fire", craft participation (copper wire jewelry, potato stencils and fingerpaints). Notes were compared at "coffe break" time.

—o—

Anyone interested in becoming a leader of either a Blue Bird or Camp Fire group in the Hamilton area please call Mrs. Naomi James, FR 8-7500.

—o—

The O-Ki-Ci-Wa-Pi Camp Fire Group, a seventh grade group from St. Lucy's School, attended the Campbell District skating party last Saturday with their guardian, Mrs. Helen Duffey, and assistants, Mesdames E. Starkey and Floyd Wood.

Girls attending the party were Susan Bowles, Janet Colla, Karen Duffey, Elaine Mezetta, Katherine Pestarina, Loretta Starkey, Francene Wood, Pamela Bartlein, Lynn Levenberg, and Suzanne Mier.

—o—

Campbell District Camp Fire Leaders Association will hold their next meeting on Thursday, November 7, at the First Congregational Church, Leigh and Hamilton Ave., from 10 a.m. to 12 noon. Child care will be provided.

TAXI

TAXES ARE PAYABLE

FOR THE FISCAL YEAR 1957-1958

For the information of Santa Clara County Taxpayers, the following are important details concerning taxes for the current year:

THE FIRST INSTALLMENT

of taxes, which includes one-half of the total tax on all Personal Property secured by Real Estate, and one-half of the total tax on all Real Property, becomes due on November 1, 1957, and is delinquent on December 10, 5.00 p.m., 1957, after which time a penalty of 6% is added.

THE SECOND INSTALLMENT

comprising of the remaining one-half of the tax on all Personal Porperty secured by Real Estate and one-half of the total tax on all Real Property, is due on February 1, 1958, and become delinquent on April 10, 5:00 p.m., 1958, after which a further penalty of 6% and costs is added to all unpaid taxes.

BOTH INSTALLMENTS

of taxes may be paid in one remittance with the First Installment, if desired.

All Taxes May Be Paid At Any Time After Receiving Your Tax Bill On October 30, 1957

The Tax Collector's Office in the Hall of Justice, corner of Market and St. James Sts., San Jose, is open for your convenience every day between 8:00 a.m. and 5.00 p.m., Saturdays, Sundays and legal holidays excluded.

TAXES MAY BE PAID BY MAIL

Checks accepted for **EXACT AMOUNT OF TAX BILL ONLY.** Be sure to bring your TAX BILL with you, or enclose it with your remittance by mail.

ROY P. EMERSON
Santa Clara County Tax Collector

IMPORTANT: Original Tax bills are mailed to taxpayers to whom the property is assessed on the first Monday in March, providing the Tax Collector has been furnished with correct mailing address. In the case of a purchase, moving, renumbering, or if the Post Office is changed due to annexation, please notify the Tax Collector. If property has been sold, please forward tax bills to new owners. Original Tax bills must be returned when paying taxes. If you have not received all your tax bills by November 1, please write or call at the Tax Collector's office in person.

'A Beautiful City'

'Press' Correspondent Stops Over in Hongkong on Way Home to Campbell

Editor's Note: Virginia Grattan, daughter of Mrs. Roy Archibald, is now at home in Campbell after spending more than two years in Europe. While overseas she reported to The Press at periodical intervals. She returned to Campbell via an around-the-world tour and in previous articles described some of her stop-overs on the way home.

In the following report she describes her visit to Hongkong. Miss Grattan has one more report to submit before she winds up her series. The Press is pleased to join with other friends of Virginia in welcoming her home. But along with many of our readers we are also going to miss the interesting and well-written reports from our "foreign correspondent". Thanks, Virginia, for a job well done.—G.V.

By Virginia Grattan

Leave Singapore 8:00 a.m. arrive Hongkong 6:15 p.m. (2085 miles).

Hongkong is a British Crown colony 90 miles south of Canton, China, consisting of Kowloon Peninsula and the New Territories on the mainland which are leased from China, and the island of Hongkong. It is composed of many nationalities, but is predominately Chinese. It is a shoppers paradise and one of the most beautiful places in the world.

Coming into Hongkong we broke out of the clouds and came down over a handful of tiny islands and a fleet of Chinese junks sailing on a flat, blue sea—a scene too minute and charming to be real. From my hotel window that first night I could see the junks with their tattered, purple sails coming home and big ships putting out to sea. The lights of Hongkong shone across the water, my radio played "Love is A Many Splendored Thing" and I grew a little weak in the knees being too tired to cope with so much senitment all at once.

Hongkong is a little bit of China from the coolies, rickshaws, sampans and junks to the craggy, terraced hillsides lost in the mist. Fine featured Chinese women in their high collar, slit-skirt silk dresses. Shops selling ivory, jade and rosewood. This is China. It is all the more tantalizing because the great land of China now rests behind the bamboo curtain and is closed to visitors from our world.

Shopping is fun in Hongkong because many things are very inexpensive. Tailored clothes are an inexpensive luxury. Jade, ivory, silks, watches, cameras, perfumes are bargain items. Consequently, shopping in Hongkong is a major sport for visitors.

VIRGINIA GRATTAN
. . . Visits Hongkong

But it is the scenery that steals the show. The view from the cable car riding up Victoria peak is unforgettable. The scenic drive along th e Southern shore of the island by the sampans and floating restaurants at Aberdeen, the beaches at Recluse Bay and Deep Water Bay, the cliffs, coves, and islands in pastel shades of evening are breath-taking. The lights at night across the water are unforgettable. Hongkong is far too romantic. Perhaps if you lived there the rest of your life it would wear off, but I doubt it.

Senior Adults Elect Officers

Some 30 interested people turned out for the first organizational meeting of "Senior Adults" at the Congregational Church last Tuesday and voiced their enthusiastic approval for a club of this type in Campbell, according to Miss Pauline Davis, their advisor.

The group elected officers and selected a committee to draw up a constitution. Miss Anne de Groot was elected to head the group as first president and will be assisted by the following officers: Juanita Bohnett, 1st vice-president; Howard J. Smith, 2nd vice-president; Mrs. Minnie Blend, secretary; and Leo Wright, treasurer.

The club will meet the first and third Tuesdays of each month at the Congregational Church at 1:30 p.m. and all interested senior adults are urged to come and get acquainted. The group is nonsectarian and is being sponsored by the Congregational Church who has offered use of its facilities. The next meeting will be Tuesday, November 5.

The Rev. Corwin Olds, pastor of the church, and Mrs. Kay Taylor, superintendent of religious education, spoke briefly to the group and extended a welcoming message.

Hostesses for the afternoon were Mesdames Kay Taylor, Juanita Bohnett, Helen Cole, and Miss Pauline Davis.

Out-of-town visitors from similar groups who helped organize the club were Mr. and Mrs. Top and Mr. and Mrs. McGillvary of the Willow Glen Club. Visitors from Cupertino and Los Gatos also were present.

EDITORIAL

Coordinating Council Will Help

Neal Royer, assistant superintendent of Campbell elementary School District and president of the Campbell Rotary Club, has suggested that the three local service clubs, Rotary, Lions and Kiwanis, along with the BPW and other interested clubs, form a coordinating council.

The purpose would be to undertake various community projects as a joint effort rather than having each club attempt to carry the ball as separate ventures.

There is a great deal of merit to this suggestion and we sincerely hope that such a council is established.

The three men's service clubs have accomplished a great deal on their own, and it would not be the objective of the coordinating council to curtail the activities of any one of the clubs.

There are many projects, however, that are too ambitious for any one club to swing, whereas a joint effort on the part of all the clubs would make easy sailing out of it.

The coordinating council could also help in avoiding conflicts in dates of events sponsored by the various clubs.

We are convinced that such a council would serve an extremely useful purpose in the community life of Campbell.

They Will Make an Impact

We think it is important for all residents of the Campbell area to take note of the continued activity on the local building front.

We note, for example, that in September permits for more than 40 new homes were issued, which practically doubled the figure of August. But what is even more interesting is the fact that both months exceeded the same months last year by a wide margin.

We think it is important because with the new families constantly moving into the community will come an increase in civic problems.

The civic problems that we have in Campbell will not decrease with this increase in population. They are bound to become more acute.

It is obvious what these new families mean to the school population. Not so obvious is the relationship to civic improvements and to the business people of the town.

We sometimes wonder whether all the merchants of Campbell realize the potential that is tied up with the arrival of these new families.

For one thing complacency should have no place in their thinking because these new people don't know, for example, that the stores have been here for many years. These newcomers must be sold on the advantages of shopping at home. Merchants can no longer say, "they all know us around here." Because it isn't true any more.

We feel this constant influx of newcomers into town will sooner or later make its weight felt in necessary civic improvements, directly or indirectly.

People who just move into a community are more prone to take a look around and wonder why some eye-sore, for example, is allowed to exist.

They are more apt to ask questions on other civic problems—and wonder what can be done to make their new community a better place in which to live or work.

There is a tendency among people who have lived in a community for a number of years to take things as they are. They have often become apathetic in their viewpoints because of past discouragements.

The newcomers, as a rule, have a fresh new outlook on their adopted community. They are not too interested in past defeats or victories. It is the present and the future in which they are vitally concerned.

That is why we feel it is important for all of us to note that month after month new homes are being built and new families arriving.

The impact made by these new arrivals may be slow in coming.

But we think the town will be better for it when it does come.

Over the Years

By John D. Blaine

We looked back over the years and saw the bicycle develop as a way of sitting down to walk. Now we might look back over the years and see the automobile develop as a way of applying mechanical power to a vehicle of four wheels.

Since I was born back in 1874, about a generation before the motor car was invented, perhaps I may speak with some authority as one who has seen this contrivance from the very first.

We might believe that the motor car was made possible by the gasoline engine. On the contrary! The first practical motor car I ever saw was powered by steam.

Sometime around 1900 a cute little motor car appeared on the road and became almost common. It was about the size and shape of a small open buggy. Its power was steam, but its period of use was brief. I don't need be contradicted about the use of this car, but I won't mind. I don't need it to prove anything.

A Stanley Steamer appeared in Campbell under the ownership of George E. Hyde, father of Ralph Hyde. Mr. Hyde Sr. boasted that his steam car could pass anything else on the road. In performance it was certainly a good car.

A larger car powered in the same way was the White Steamer. One day when I was riding my bike, three of these White Steamers passed me in a row and covered me with their dust. I believe they were far better than any gasoline car of their time. I mean, more dependable.

The fact is that steam power was highly developed in engines of many forms before the gasoline engine was invented at all. Steam cars would have been used if gasoline power had never been heard of.

What really made the motor car practical was the air tire, invented first for the bicycle, and highly developed in time to produce the cycling boom of 1895.

I nominate the air tire as one of the most significant mechanical inventions of all time. Not only is the air tire in command on the highway, it is largely in command under heavy traveling machinery of most sorts. Even road scrapers and earth movers have air tires.

I speak of the obvious. But it was a long time before the obvious became obvious. Trucks with solid rubber tires were used long after they should have been ruled off the road.

Early in the history of Model T, the poor man's car, ignorance of virtues of the air tire created a situation that in the light of developments was quite ridiculous. But it deceived many.

Suddenly there was a craze to replace inner tubes and air with tire "fillers". The filler was a circle of sponge rubber. With tire fillers all around worry about punctures was over. Agents for the fillers had quick prosperity.

I was then in the grocery business and had just changed from the delivery horse and wagon to Model T. With a special body Model T would stand up under half a ton. Thrifty friends advised me to adopt the fillers.

But from years of experience with bicycles I was in love with air tires. My first bike had solid rubber tires. My second, cushion tire, in priciple something like the tire fillers. My third, true air tires. For ease of pushing there was no comparison.

So I was slow about taking on tire fillers. Before I had time to be sorry I didn't have tire fillers. most car owners who had been quick to adopt them were sorry they had.

Cars fitted with tire fillers used more gas, and casings did not stand the strain. Something was very wrong.

One day when half a ton was on Model T I tried an experiment. I knew the pressure already in the tires. After the load was on I tested the pressure again. The increase was almost nothing. By what magic was the increase absorbed?

What do you think? Seems to me the increase was distributed ove rthe entire inner tire surface. equally all around. Tested with the valve at top or at bottom the pressure was the same.

The air tire is true mechanical magic. The inventive effort today is not to do away with the air tire but to improve it. Regardless of the type of power, the air tire is king.

Air tires have driven street cars off the streets, railroads off the roads, and even boosted airplanes off runways into the skies. They have created subdivisions and supermarkets. But one thing they can never do. They can never give common folk common sense in their use.

Common sense is up to us. Thus far it has a discouraging history.

OUT on the LIMB with George Vierhus

The public hearing on the new "Controlled Manufacturing" zoning set by the Planning Commission for November 5 will have far-reaching importance as far as the future of the community is concerned.

Undoubtedly those who have opposed "CM" from the very start will still have fault to find with the somewhat watered down version that will be up to bat again. A number of concessions have been made by the Planners from the original but even the revised ordinance will not meet all the objections that have been raised.

One of the major points of disagreement concerns the restrictions as to the type of construction that will be allowed in a "CM" zone. Some of the property owners in the industrial park area feel that buildings should not be confined to masonry and concrete construction as outlined in the ordinance.

They apparently feel that sheet-metal type structures should be allowed.

We hope the Planners remain firm in this masonry specification.

—o—

We are convinced that should the bars be let down on this construction provision, it would defeat the purpose of the entire ordinance. We think it is impossible to reconcile the types of construction.

We have long advocated that a compromise was possible on some phases of "CM" and we are happy to note that there were many points of agreement between the "pros" and the "cons".

We also feel that there is a place in the industrial picture for the uonset-hut type of building but we don't think it is fair to foist this type of construction on an undeveloped area.

In our opinion Campbell has had too much of shoddy building the past.

—o—

We also know that in any long-range planning for the benefit of the community as a whole some individuals may be hurt to a certain extent.

For instance we sympathize with Mrs. Joseph Trappito, 775 Dell Ave. who told us that she and her husband came out to Dell Ave. to retire in what was then a rural area and that's what they wanted.

She told us that they now find themselves in an area that is planned to be developed into an industrial park. She is concerned over what was going to happen to them and their surroundings.

She said that she would like to sell but that their lot is too small to develop for any industry and she felt that making the area industrial would make it difficult to sell the property as a residence.

We told her that we felt that having "CM" zoning would be more beneficial to her than unrestricted industrial zoning, as long as industry was going to come in anyway.

We explained that because of the tremendous growth of the county it would be difficult now to find any place in the entire valley that would be rural enough to be safe from the encroachment of industry brought on by increased population.

It is the price that must be paid for so-called progress and, as much as many of us hate to see orchards replaced by homes and industry, there is little we can do to stop it.

—o—

We have just received in the mail a little booklet that explains the plan for the establishment of a nofficial U.S. dictionary wih reformed spelling. It is published by Homer W. Wood, a publisher-lawyer from Porterville, Calif.

Mr. Wood believes that children are unnecessarily confused by the complex and illogical variations of spelling and pronunciation that have grown into the English language.

He thinks it is time for the federal government to take steps to streamline English for the benefit of not only children, but all the harried teachers, business men, secretaries, publishers and printers who have to wrestle with archaic spelling.

—o—

Mr. Wood proposes to have Congress establish a National Grammar Commission with wide powers to revise spelling and pronunciation of existing words. The Commission would establish, write and edit a United States Official Dictionary containing all words in common usage arranged according to revised spellings.

We believe the idea has much merit to it but we doubt very much that it will get off the ground to any extent. The idea is not new. President Theodore Roosevelt in 1905 asked the National Printing Office to use reformed spelling. But nothing much came of it.

The Chicago Tribune used reformed spelling for many years but gave it up except for words such as "tho", "thru", "thoro" and a few other simplifications.

—o—

Personally we are all for the idea for there is certainly room for improvement. We think following the phonetic system as far as possible is practical as is the elimination of unnecessary letters. For sure we think the spelling could be simplified.

Some of the examples listed by Mr. Wood include; slough to slu; through to thru; though to tho etc.

Tho many believe in the caus, the going wil be ruf all the wa. It is a tuf bizness to crak and the peple wil hav to juj wether it is important enuf for them to mak the efort.

—o—

It's "Lucky Tony" now, in case you are interested.

Tony Oreglia, popular Double AA Market owner, has been subjected to considerable kidding lately because of his being a member of the winning team in the recent Calcutta golf tourney at La Rinconada.

Tony, who has only been playing the game seriously for a few months went into the Calcutta with a high handicap.

He then proceeded to shoot a 78.

Shortly after the tourney Tony and his wife left for a brief vacation in Las Vegas. While there he had a hot streak at the dice table and during his streak none other than Milton Berle who was at the same table picked up plenty of loot by playing with him.

Berle was so pleased with the results that he treated Tony and his party to dinner and show that night.

We are waiting for "Lucky Tony" to try something else; checkers or ping-pong even.

We want to be around this next time.

Weavers Display Samples of Work

Samples of weaving ranging from table mats and rugs to yardage were displayed by members of the Los Gatos Weavers' Guild at their October meeting which was held in the home of Mrs. Homer Stephens in Los Gatos. Mrs. Fred Paul, president, conducted the business session.

The Guild is composed of members from the Campbell, Los Gatos and Saratoga areas.

Engineer Traces Progress of Aircraft Company

The history of Lockheed's development of aircraft from its beginning in 1913 down to its missile program at the present time was traced Monday for Rotarians by Forrest Gaiser, staff engineer of the missile systems division.

Gaiser said Lockheed's first project was a three-place seaplane which it built and flew off San Francisco Bay in 1913. During World War II, Lockheed built a total of 20,000 aircraft, among them the P-38 fighter, P-80, the B-17, (although a Boeing product).

After the war, the company began producing the huge Constellation passenger planes and developing its missile program. One "breakthrough" came with development of jet and rocket power, another with development of guidance "brains", and still another through nuclear and hydrogen power.

With the development of nuclear and hydrogen power came new type missiles: the ballistic with built in "mind", the remote conrol, radar, and the "seekers" now in operation which follow infra-red heat. Next came the celestial missile which navigates itself, and the inertial missiles which will follow a proscribed course when set.

Gaiser wound up his talk by saying that the Russians had made a number of failures before successfully launching "Sputnik" and that when the United States launches its satellite it will be better.

Kiwanis to Hear Talk on Taxes

Guest speaker at next Tuesday's meeting of the Kiwanis Club will be Mr. DeVilbus of the Santa Clara County Taxpayers Association who will talk on "The Local Tax Picture". The club meets each Tuesday at 12:15 for lunch at the Library Building on E. Campbell Ave.

On Sunday, November 17, the Kiwanis Club will hold an "Aunt Jemima" breakfast from 9 a.m. to 3 p.m. at the Hamilton School to which they invited the public. Kiwanis members will make and serve all hot flapjacks.

Clothes feel softer...smell fresher when they come out of an automatic dryer

Dryer owners often ask if it's just imagination or does their machine really get laundry fluffier and sweeter smelling. The answer is *definitely yes* . . . an automatic dryer leaves clothes 30% fluffier than line drying. Built-in ozone lamps give your clothes a hygienic, fresh-air fragrance that even the sun can't beat. And remember: an automatic dryer costs you just a few pennies a load to operate because *natural gas and electricity are cheap in California.*

Here comes winter...buy now...save
All through October, appliance stores are featuring automatic laundry dryers. This means good buys!

Laundry dries better any time . . . with an automatic dryer

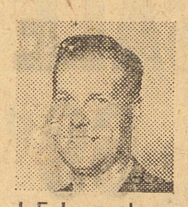
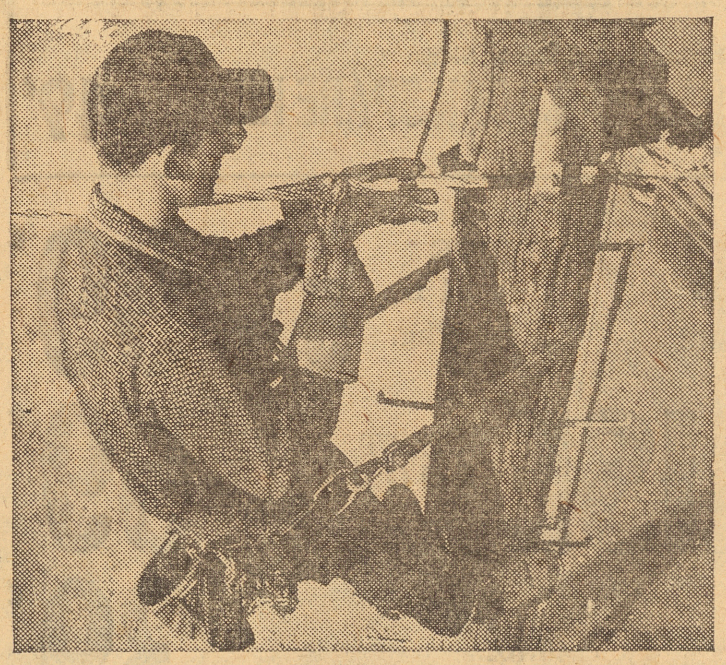
WHAT'S DOING

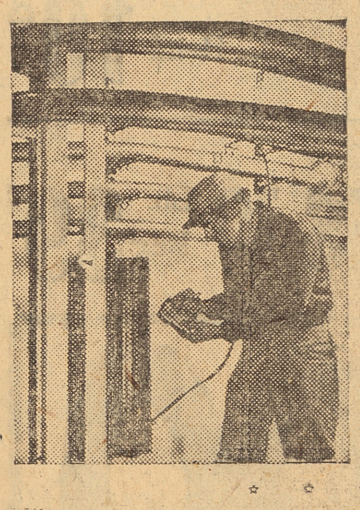


J. F. Imsand, your Telephone Manager in Campbell



The way things are growing around here, we're plenty busy putting in more phones. So, we keep on the lookout for time-savers. Like the little "watchcase" this telephone man's working with. This case connects the wire from a house to certain types of telephone cables outdoors. Makes the job a whole lot simpler. The case has a clamp on the back. So you can put it where you want it in a jiffy. Inside, it has a couple of tiny posts. You tie your wires around them. Then, snap on the top—and the job's done. Takes about 5 minutes. Time-savers like this help us bring more service to more people. In less time, too.

* * * * *



When you hear air hissing out of an auto tire, first thing you do is find the leak and have it fixed. Same thing goes for some telephone cables. They've got compressed air in them. The pressure keeps out moisture. And believe me, we keep close tabs on this pressure, too. When air starts to escape, instruments let us know right away. They tell us just about where the leak is, too. That way we can patch it up before it affects your phone calls.

* * * * *

AT YOUR SERVICE

Your Telephone Company stands ready to serve you in many ways. One such service is the medium of motion pictures. Our film library is stocked with both informative and educational films and can be made available to your group or organization at no charge.

These films, some of which have been enjoyed on nation wide television, are included in a free booklet offered by your business office. So if you are planning a program, call us at CYpress 2-9000, and let us assist you in selecting a suitable film. PACIFIC TELEPHONE

LOW DOWN ON SPORTS

By Marvin Moore

Stanford Wins

The Stanford Indians took the Washington Huskies Saturday playing one of their best games of the season. Their game was one of my losses.

Maryland Upset

North Carolina sure looked powerful when they beat the Tar-heels 21-7 in their game Saturday.

Cal 12—U.S.C. 0

The Golden Bears of California took over the field against a strong U.S.C. team. This was Cal's first victory, but I think they are on their way now. Not strong enough for Oregon, but I think they show promise.

Green Bay Loses

The Green Bay Packers lost to the San Francisco 49'ers 24-14. Tittle's passes counted for two of the touchdowns and ties the 49'ers for first place in the Western Division with Baltimore and Detroit. The 49'ers defense showed up good too. Green Bay had the ball on the 49'ers 1 yd. line with four downs and couldn't make it.

Gordy Soltau kicked a 32 yd. field goal and three conversions to give him a career total of 539 points and fourth place on the NFL's all-time scoring list.

S.J. Smears S.D.

The San Jose Spartans sure were hot Saturday night when they rolled over San Diego State 46-0 for their biggest point spread in history over the Aztecs.

I think I know how San Diego felt as I was thrown for almost as big a loss in predicting this week. It was sure a week of upsets all over the country but the ones I stuck my neck out on didn't come through.

Oklahoma Wins 44th

Oklahoma took its 44th consecutive victory by beating Kansas 47-0 and took over number one spot in the top ten college football teams.

Here's how they stand:

1. Oklahoma
2. Iowa
3. Texas A and M.
4. Duke
5. Auburn
6. Notre Dame
7. Mississippi
8. Army
9. Michigan State
10. U. C. L. A.

1957 Slugging Crowns

Ted Williams, Boston Red Sox won his 9th A.L. batting title and Willie Mays of the N.Y. Giants his third N.L. title.

Williams .731 average was tops for the majors in 16 years. He had .735 in 1941. The Big League record is .847 set by Babe Ruth in 1920.

Mays average was .626 edging out Stan Musial's .612 and Hank Aaron's .600.

Mickey Mantle, champion in 1955-56, came in second in the A.L. with a .665.

Ray Sieners of Washington was A.L. top man in home runs with 42 and a .579 average; Woodling of Cleveland, .522; Vic Wertz, Cleveland, .485 and Maxwell, Detroit, with a .482.

Duke Snider, Brooklyn, 1956 title holder came out with a .587 mark; Banks, Chicago, .579 and Matthews, Milwaukee, .540 and that about winds up baseball for this season.

Bees Edge Fremont, 14-7, Jump to Third in Loop

A fourth down touchdown pass from quarterback Benny Lujan to left half Ron Wilson with 30 seconds remaining in the game gave the Campbell High Buc Bees a 14-7 victory over the Fremont Indians here last week and a third place tie in SCVAL standings.

The Bees meet Washington (1-1-1) tomorrow at 6 p.m. at Centerville. Washington has stopped Mountain View, tied Camden and lost to Los Gatos so far this season.

The win over Fremont moved the Bees into a third place tie with James Lick in the SCVAL Both teams have 2-1-0 records. Undefeated Santa Clara leads the league with three wins, and Camden is second with a 2-0-1 record.

Held scoreless against Fremont until late in the fourth quarter the Bees exploded with less than four minutes to go in the game to tie it up, 7-7, and then marched 61 yards in eight plays to score the winning TD with only seconds remaining on the clock.

Lujan tossed to Wilson for both Campbell touchdowns and highlighted both the Bee scoring drives with sharp passes that stunned the Indians and set up the scoring plays.

Indians Take Lead

After a scoreless first half, the Indians went into the lead after an 80 yard return of the second half kickoff good for a touchdown. The conversion was good and the Indians led, 7-0.

The Bees bounced back into the game late in the fourth quarter when they took a Fremont punt on their 10 and began a 90-yard scoring drive climaxed by Lujan's 30-yard touchdown pass to Wilson. Right half Marc Bahl plnged over for the conversion to make it 7-7.

Lujan's passes accounted for 81 yards on the drive. After Bahl drove for a first down on the Campbell 23, Lujan took to the air, connecting with Wilson on three passes and hitting ends Bob Straight and Harry Tomasaki and Fullback Richard Perry for three more to complete six out of eight for the drive.

Bahl Intercepts

The Bees got the break when Bahl intercepted a Fremont pass on the Indian 39 soon after the kickoff. After a holding penalty against the Indians moved the ball to the 24, Lujan's pass to Wilson took it to the 15 and Wilson's plunge got the Bucs a first down and goal on the Indian nine.

Three incomplete passes and a five yard penalty left the Bees with a fourth down on the Indian 14 when Lujan stepped back and again fired to Wilson for the winning TD with only 30 seconds left in the game. Lujan drove over for the extra point to make it 14-7.

Led by linebackers Bahl, Perry and center Dan Schwartz, the Bee defense held the Indians to one first down and a total of 56 yards during the game while the Bee offense rolled up 16 first downs and a total of 260 yards. While Lujan was passing almost at will, Fremont completed only one pass.

The Bees have allowed their last two opponents a total of only 100 yards net offense.

Hornets Top Lions To Lead League; Play Vogel Sunday

The undefeated Billy Wilson Hornets, who took over as league leaders by defeating the Millbrae Lions last week, 20-0, tangle with the Les Vogel Power Gliders of San Francisco in the third annual Pop Warner Big Game Sunday at 1:30 p.m. on the Campbell High field. It will be the final home game for the Hornets.

The Power Gliders, who have lost only one game this season, are the defending Pop Warner Conference champions. They have been league champs for nine of the last ten years and have not lost to a Santa Clara Valley team since 1953.

The Hornets, who toppled the previously undefeated and unscored upon Lions here last Sunday, have won six straight this fall.

Hornet guard Don Rossi was named outstanding lineman of the day for the second time this season against Millbrae, making him eligible for Pop Warner All-American consideration.

Randy Sutton scored the first two Hornet TDs on runs of two yards and 32 yards. Brad Estensen scored the third touchdown on a 15 yard scamper in the fourth quarter.

Mike DeVita, who gained over 100 yards against the Lions, sparked the Hornet attack with runs of 55, 30 and 15 yards. DeVita was named outstanding offensive and defensive back for the game.

Other Hornet standouts included tackles Jim Nobriega and Bob McQuaide and end Bill Smith.

Cougar JVs Lose

After dropping its opener to Los Gatos last week, 25-0, Camden High's JV football team travels to Sunnyvale High today at 3:30 p.m. to play the Jet JVs.

Cougars Win, 13-12; Meet Sunnyvale

After squeezing past Los Altos last week, 13-12, for their first win of the season, Camden High's Cougars meet the Sunnyvale High Jets tomorrow at 3 p.m. at Camden field.

Last weeks win gave the Cougars a 1-1-1 season record and moved them into fourth place in SCVAL standings.

The Jets lost to Mountain View last week, 14-12, and have a 1-2-0 record this season.

REVOLUTIONARY NEW "SHOCK-ABSORBER"
GIVES EXTRA PROTECTION TO FRAGILE FREIGHT

Careful handling of freight has always been a prime concern of Southern Pacific. Four years ago we asked Stanford Research Institute to help us develop an even better way to cushion boxcar shipments of fragile freight. The result is something we're proud to report.

It is the Hydra-Cushion Underframe freight car, which employs a unique sliding underframe with a hydraulic pressure device to give *extra* cushioning to fragile shipments while cars are being coupled or are in transit.

350 Cars. We built 350 of these cars—and added "DF" (damage-free) interior loading equipment and roller bearings for good measure—to assure extra protection to shipments of television receivers, bottled goods, glassware, ceramic tile and numerous other fragile products.

The Hydra-Cushion Underframe freight car is an example, we think, of how Southern Pacific uses modern research in our continuing effort to give the finest freight service.

Southern Pacific

Camden Bees Win; Take Second Slot

Camden High's Bee gridders romped over Los Altos last week, 27-8 to move into second place in SCVAL league standings. The Cougar Bees meet Sunnyvale at 3:30 p.m. at Camden field.

The Bees have won two and tied one so far this season. They topped Fremont, 13-0, and tied Washington, 19-19 and are second only to unbeaten Santa Clara in "B" football standings.

TEEN AGERS!
Now real medicated help for troubled skin!

BLEMISH CREAM
SCRUB SOAP
REFINING LOTION

New Scrub Set by Dorothy Gray really helps clean, heal, clear up problem complexions!

Just 3 easy steps:

1. *Medicated Scrub Soap* goes down deep to rout out the last trace of clogging dust, oils and make-up.
2. *Medicated Refining Lotion* gets at one of the biggest causes of troubled skin—bacteria.
3. *Medicated Blemish Cream* gives highly effective healing action all night long.

IMPORTANT: Conscientious use of the Scrub Set really pays off with a clearer, wondrously more attractive complexion. Set, $2.85

BUCS ON THE MOVE . . . (upper photo) Campbell High right end Jim Omura (14) turns to take a pass from Buc quarterback Jim Cole in action against Fremont High last week. Coming up to defend on the play are Indian halfback Don Hufford (23) and fullback Dick Regnart (32). Buc tackle Dan Grannis (49) and end Ron Azevedo (30) start to move downfield to protect Omura.

(Lower photo) Campbell fullback Don Womer (35) on an end sweep, picks up enough yardage for a first down against the Indians as teammate Jim Omura (14) leads his interference. Indian defenders, guard Ron Adriana (1) and end John Mairs (33), come up to put the stop on Womer.

JV's Drop Opener; Meet Los Gatos

Two intercepted passes that resulted in Fremont touchdowns proved the difference as the Campbell High Buc JVs dropped their season opener to the Indians, 12-6.

The JVs meet Los Gatos today at 3:30 p.m. at Los Gatos.

Campbell's only touchdown against Fremont came when right half Ron Stone intercepted an Indian aerial and scampered 35 yards for six.

Bucs Bow to Indians, 13-0 Face Washington Next

After a surprising team effort in their 13-0 loss to second place Fremont last week, Campbell High Buccaneers travel to Centerville tomorrow at 8 p.m. to meet Washington High Huskies.

The Huskies, with a 1-1-1 record this season, will field a tough split "T" offense sparked by quarterback Hiro Kurotori and a big line bolstered by 215 lb. center Dave Nickel and 220 lb. tackle Dave Barnett. They lost to Los Gatos last week, 26-0.

But the Bucs are due and after their performance against Fremont last week, Coach Jim Muir feels that "this should be the one.

Outgained Indians

Against Fremont, Buc fullback Don Womer, who took over for flu stricken Ken Buran, and quarterbacks Jim Cole and Bob Whitewing teamed up to outgain the Indians in total yardage, 241 to 170, and to rack up nine first downs to Fremont's six.

Linebackers Tom Farley and Ron Corbus bottled up the Fremont attack all during the second half and knifed through the Indian line repeatedly to drop Indian backs behind the line of scrimmage.

End Eldon Jones, who played most of the game with an injured back and Jim Omura, who played the entire game for the Bucs, looked good both offensively and defensively.

Three ends, Dave Smith, Dick Aldrich and Bill Compton, were out with the flu along with guard Roy Tannehill and center Pat Connors.

Buc TD Nullified

Early in the first quarter, the Bucs looked as if they might upset the favored Indians when Whitewing took a Fremont punt on the Campbell 20 and went all the way into the Fremont end zone. But the touchdown was nullified by a clipping penalty at the Campbell 25.

After the Bucs were unable to move on the ground, Corbus dropped back to punt on the Campbell 30 but the kick took a bad bounce and was downed on the Buc 29.

Fremont took over and scored in five plays when halfback Don Hufford drove over for the TD from nine yards out. The kick was short and Fremont led, 6-0.

Indians Score

Early in the second quarter, Fremont took the ball on their own 18 and began a second scoring drive highlighted by Fremont quarterback Dick Hitchman's 30 yard pass to Hufford to the Campbell six. Hitchman rolled out to score on the next play and the kick was good making it 13-0.

Late in the final period, halfback Jerry Cooper intercepted a Fremont pass to give the Bucs the ball on their 48. Whitewing's pass to Womer took it to the Indian 30 to open the drive and the Bucs moved to a first down on the Fremont five.

But the Indian defense tightened and after a five yard penalty the Bucs had a fourth down on the Fremont 12 when Whitewing rolled out to go 11 yards to the Indian one before Fremont took over on downs.

C, D Cagers Beat Los Gatos, Ayer;

Campbell High's C and D basketball swept their series against Los Gatos and Ayer in games last week to remain undefeated in league play and stay on top in SCVAL standings.

The Cs stopped Los Gatos, 36-22, last Thursday and eased by Ayer, 37-21, Tuesday. The Ds came from behind to beat Los Gatos, 21-19, and rolled over Ayer 32-12.

High scorer for the Cs in both games was Dick Mayeda who tanked 19 against Los Gatos and 14 against Ayer. Jim Sweeney was second highest against Ayer with eight points while Kent Winters was second scorer against Los Gatos with nine.
